### PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the CIA Photographic Intelligence Division.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

## SUMMARY

Onor Army Barracks is located in Onor (Figure 1). The installation and its training areas cover approximately 285 acres and contain 1 administration building, 5 administration/support buildings, 2 administration buildings/barracks, 4 barracks, 2 possible barracks, 19 support buildings, 2 vehicle maintenance/storage buildings, 2 possible ammunition storage buildings, and 36 general storage buildings (Figures 2 and 3).

Training facilities include a tank/assault-gun firing range, a flat-trajectory/automatic weapons firing range, a probable tracked-

vehicle driver-training course, and a ground forces maneuver area.

A possible storage area (not on sketch) is located approximately 1.5 kilometers (km) east of the installation near the maneuver area.

The installation is covered on KEYHOLE missions of interpretable quality between

Comparative analysis reveals the construction of 4 barracks and the flat-trajectory/automatic weapons range between Winter coverage indicates heavy activity in Area J1 and no activity in the training areas.

## DESCRIPTION OF INSTALLATION

Railroad Service

A small rail yard and a turning wye are located 3 km east of the barracks.

Road Service

Urban streets serve the area.

Administration and Troop Housing Areas

Area D1 contains 2 administration/support buildings, 2 possible barracks, 4 barracks (under construction in ) 2 general storage buildings, and 4 support buildings.

Area D2 contains 1 administration building, 1 administration/support building, 2 administration buildings/barracks, 2 general storage buildings, and 2 support buildings.

General Storage Areas

Area E1 contains 5 general storage buildings and 5 support buildings.

Area E2 contains 2 administration/support buildings and 13 general storage buildings.

Area E3 contains 4 general storage buildings

and 3 support buildings.

Area E4 contains 6 general storage buildings. This area also appears to be used for open storage.

Ammunition Storage Areas

Two possible ammunition storage buildings (not on sketch) are located in a probable maneuver area approximately 1.5 km east of the installation.

Equipment Storage/Maintenance Areas

Area J1 contains 2 vehicle maintenance/storage buildings (115 by 40 feet and 60 by 20 feet), 4 general storage buildings, 3 support buildings, and probable facilities for outdoor maintenance and unidentified open storage. Seven probable trucks and 5 unidentified vehicles were observed in the area on coverage. The area appears to be used heavily in the winter.

Area J2 contains 2 support buildings. Approximately 12 vehicles were observed dispersed along 2 loop roads on coverage.

Athletic Field

Area K is a probable exercise track.

Driver-Training Area

Area M is a probable tracked-vehicle driver-training area. The area appears to be used extensively in the summer, but no training activity is visible on winter coverage.

Tank/Assault-Gun Firing Range

Area N is a 2,300-foot tank/assault-gun firing range with three 1,250-foot lanes and 2 moving targets. The range also appears to be used for ground forces maneuvers. Probable

trenches are perpendicular to the tank runs.

Flat-Trajectory Firing Range

Area P is a flat-trajectory/subcaliber firing range, probably 1,150 feet long (constructed between [REDACTED] with 4 moving targets.

Infantry or Combined-Arms Field Training Area

A maneuver area (not on sketch) consisting of trenching and automatic weapons positions is located on the eastern edge of Onor, between the city and Onor airfield.
